Hearts-Hugs-Love

Some say that love comes from the heart, but as Christians we know that first of all, love comes from God. "God is Love," says I Corinthians 4:8. The only real reason we are able to feel and share that love is because of His unselfish act of love for us on Calvary. Knowing this, we then can let our love of Jesus grow and shine from within!

Valentine Party Fun!

Every child should bring cards with his/her own name printed on the backside to give to each of their classmates. Four and five year olds are encouraged to print their own name. We ask that you do not address the Valentine's; leaving the "TO: _____" portion blank. This will enable the children to distribute the cards themselves.

Children may bring a pre-packaged nut-free treat or small trinket along with the valentine's cards for their friends to take home if they would like.

The party dates and number of children in each class are as follows:

Tuesday, February 13th

Hanlon-12

Seip-12

Morrison-12

Wednesday, February 14th

Palmaffy-15

Spencer-15
