

Shepherd of the Valley Lutheran Preschool Newsletter January 20 19

HAPPY NEW YEAR! We are back to school Monday, January 7th!
"For I know the plans I have for you, plans to give you a hope and a future."
Jeremiah 29:11

Our Holiday Offerings to C.O.M.E.

During the school year, our chapel offerings go to C.O.M.E. (Community Outreach Ministry Endeavor). They distribute food and clothing to needy families with children in downtown San Jose. In addition to our chapel offerings, we have a big green offering box in the corner of the Preschool outside of room Genesis. If you have clothing or household items that you are no longer using we would be happy to bring your donations to the families in need.

Buddy Days

All children will need to bring their buddy to class on Buddy Days. Their buddy needs to be a stuffed plush animal. Buddies will stay at school to have a party and will not be sent home until Pajama Day!

T/Th Classes: Tuesday January 8
MWF Classes: Wednesday January 9
M-F Classes: Thursday January 10

Pajama Days

Get out of bed and come to school! Please send your child in modest pajamas to school. The classes will meet in the gym on this day and wait for all the children to arrive; then they will walk into their classrooms to see the WILD slumber party that their buddy's had!

TTH Classes: Thursday, January 10
MWF & M-F Classes: Friday, January 11

The children will make pancakes and enjoy the warmth of being together inside from the cold. This is the day that they will take their buddies back home with them.

NO SCHOOL

Monday, January 21st in observance of:
Martin Luther King Jr's Birthday

Jr. Kindergarten Field Trip to Pizza My Heart

Friday, January 18th from 9:30-11am

Permission slips will be your child's cubby soon. Extended Class is available after the trip.

Parent Teacher Conference

At the end of February, our teachers will meet with each of you to discuss your child's progress, school readiness, and any further questions you may have. We are thankful to be in partnership in the education and development of your child! Our teachers will be using classroom observations, samples of classwork, and will also spend individual time with each student to prepare for the meeting.
